## BULLETPROOF HIGHWAY PATROL VEST

The police force plays an integral role in ensuring public safety and protecting citizens. To ensure that they are able to do their job effectively and safely, the police need to have adequate protection. The EXPLL EXP-BHPV40Q BULLETPROOF HIGHWAY PATROL VEST provides the ultimate protection for police officers.

The EXPLL EXP-BHPV 40Q BULLETPROOF HIGHWAY PATROL VEST is designed to be both flexible and comfortable. The vest is unisex and fits comfortably with a high visibility design. It is certified according to Worldwide standards. Additionally, the vest features reflective tapes which are EN 469 certified, and a rib spacer mesh for ventilation.

The EXPLL EXP-BHPV 40Q BULLETPROOF HIGHWAY PATROL VEST is designed to be lightweight and breathable. The soft body armour can be inserted from the front bottom of the vest, and the vest itself is designed with adjustable straps to ensure a perfect fit. The vest also features a moisture-wicking fabric to keep the wearer dry and comfortable.

The EXPLL EXP-BHPV 40Q BULLETPROOF HIGHWAY PATROL VEST offers the highest level of protection for police officers. It has been tested and proven to provide protection against bullets, stabs and shrapnel. The vest has been designed to be lightweight and comfortable, while also providing maximum protection.
