EXPLL EXP-OV70Q

OFFICERS VEST

The EXPLL EXP-OV70Q Police Officer Vest is designed with comfort and protection in mind. This vest is ergonomically designed to provide a comfortable fit and features wide adjustment straps at the shoulders and sides. It is made from durable materials so it can withstand prolonged use and is lightweight and breathable, perfect for hot weather. The vest is also water-resistant, helping to protect officers from the elements.

For extra protection, the vest has a provision for hard armor inserts at the front and back. This provides officers with the extra protection they need in the line of duty. The vest also features a unique zipper system for quick and easy on and off and pockets for storing essential items.

The EXPLL EXP-OV70Q Police Officer Vest is a great choice for officers who need a comfortable, protective vest. It is designed with comfort and protection in mind and is perfect for those who need to stay cool and protected in any situation.
